I have a child who would like to volunteer

I would be willing to help out with a specific project (50th anniversary, maintenance, etc.)

Photography Release and Consent Form

With permission, photos of BPHA families are sometimes included on the BPHA website and social media sites to showcase the special events taking place within the community.

I hereby authorize the Beechwood Park Homes Association (BPHA) Board of Directors, staff, and/or volunteers to film, photograph and publish footage taken of myself and all members of my family listed on this application form, for use on the website, social media, and in print materials. I also understand that no royalty, fee or other compensation shall become payable to me by reason of such use. Note: Children's names will not be attached to photos or videos.

Yes No

Waiver

On behalf of myself & all members of my family, I/we agree to abide by all the Facility Rules, Policies & Code of Conduct listed on the BPHA website and/or posted at the Facility. By joining the Beechwood Park Homes Association, I agree to hereby release Beechwood Park Homes Association, its directors, officers, agents, coaches, and employees from liability for any injury that might occur to myself (or to my child(ren), family members and guests) while at the Beechwood Park Homes Association Recreation Facility at 293/295 Shakespeare Drive, Waterloo. This includes tennis lessons, swim lessons, open use of the tennis courts and swimming pool, and all other activities at the Recreation Facility.

I agree to indemnify and hold harmless the above mentioned organizations and/or individuals, their agents and/or employees, against any and all liability for personal injury, including injuries resulting in death to me, my child(ren) and/or other family members, and guests, or damage to my property, the property of my child(ren) and/or other family members, or both, while I (or my child(ren) or family members) are at the Beechwood Park Homes Association Recreation Facility.

[Required] I have read and agree to the above statements
